

Paintbrush Suite

Designed to appeal to your artistic side, the Paintbrush Suite gives you classic comfort with a full kitchen, living room, two bedroom, and full bathroom in 759 beautifully designed square feet of open plan living. Your kitchen includes traditional oak cabinetry, Tuscan marble formed laminate countertops, plus refrigerator with freezer, stove and dishwasher. The kitchen opens into the living room, which leads into one of the suite's most beautiful features: a partially enclosed octagonal balcony with room for a patio table and chairs.

The washroom features a handicapped-accessible walk-in shower with safety bar, oak cabinetry and Tuscan marble laminate countertop. Similar quality is seen in the flooring, which is San Sebastian Berber carpet in the living room and bedrooms and easy-care Congoleum Prelude flooring in kitchen and bathroom.

As with all our units, your suite includes safety features like grab bars on the shower, fire alarm, smoke alarm and 24/7 access to emergency assistance. To finish off the suite, there is a laundry room and ample closet space.
