

# Prairie Rose Suite

The beautifully appointed Prairie Rose Suite is the largest supported living home at the Wellington. Only one is available, giving you 1,329 square feet of luxurious living with two bedrooms, a den with sky-light, kitchen, living room, two bathrooms, and a laundry-utility room. High quality features include traditional oak cabinets, formed Tuscan Marble laminate countertops, San Sebastian Berber carpets in living room and bedrooms, and easy-care Congoleum Prelude flooring in kitchen, hallways and bathrooms. Both bathrooms have oak cabinetry and Tuscan Marble laminate countertops. One offers a large, handicapped-accessible walk-in shower and the second includes a tub with shower. Your kitchen is complete with stove, fridge, sink and dishwasher, with space for a microwave. Every room opens off the oversize living room, allowing easy access. The living room also opens onto the partially enclosed balcony, which gives you enough room for a patio table and chairs. As with all our units, your suite includes safety features like grab bars on the shower, fire alarm, smoke alarm and 24/7 access to emergency assistance.
