

Sunflower Suite

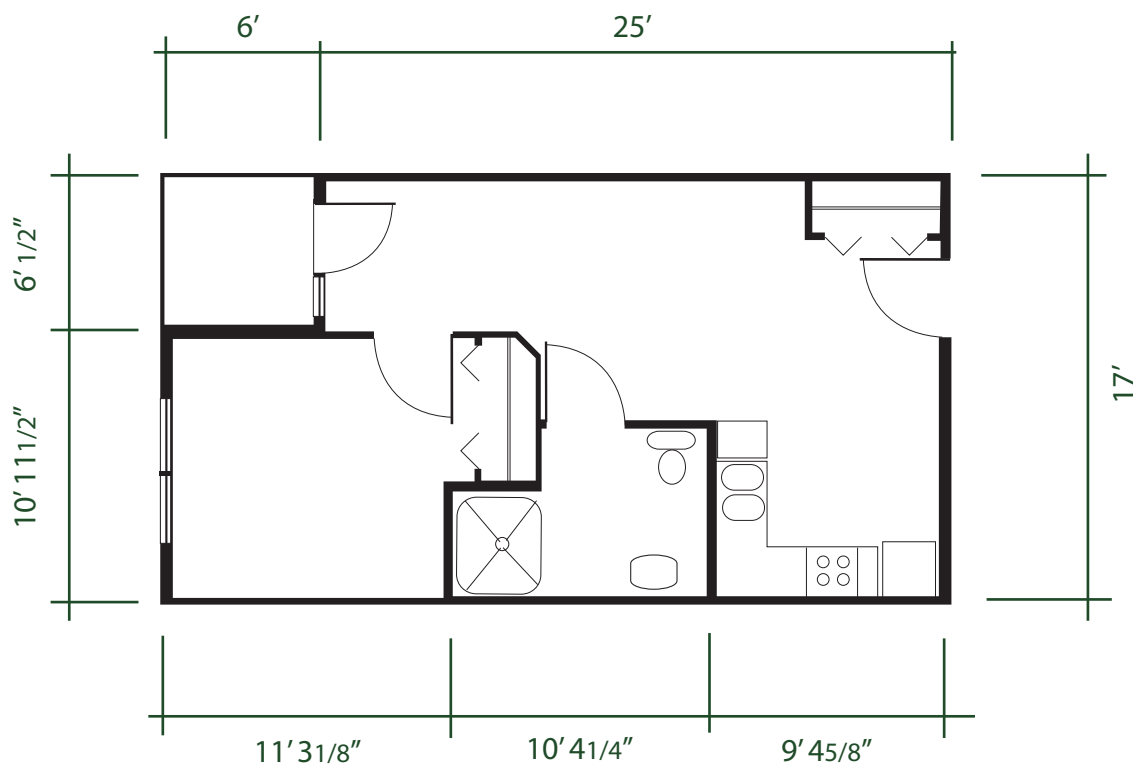

Welcome to the Sunflower Suite, a bright efficiently designed home that combines a bedroom, full kitchen, living space, bathroom and balcony in 487 square feet. This quality home proves that good things come in small packages. You get traditional oak cabinetry in kitchen and bathroom, along with Tuscan marble formed laminate countertops in both rooms.

The full kitchen includes fridge-freezer, stove, sink and pantry, plus easy-care Congoleum Prelude flooring.

The kitchen opens into a living space that stretches from entrance to patio, with a nook perfect for a small table. In the bathroom you'll discover a handicapped accessible, walk-in shower with safety bar. The master bedroom includes a double closet and quality San Sebastian Berber carpet, which is repeated in the living room.

Final touches are an entrance closet, smoke alarm, fire alarm and 24/7 access to emergency assistance.
